About Conflict Resolution Day

Each Year the Association for Conflict Resolution (ACR) celebrates Conflict Resolution Day the third Thursday of October. Our logo of the tree was designed as a symbol to celebrate growth in Conflict Resolution. The first year, start small, but just like the tree the seeds you plant one year, will continue to grow and blossom each year. Conflict Resolution Day was conceived in 2005 by ACR to:

- Promote awareness of mediation, arbitration, conciliation and other creative, peaceful means of resolving conflict
- Promote the use of conflict resolution in schools, families, businesses, communities, governments and the legal system
- Recognize the significant contributions of (peaceful) conflict resolvers
- Obtain national synergy by having celebrations happen across the country and around the world on the same day.
